EVENT POSTERS

I design striking event posters that captivate audiences and communicate event details effectively. These posters are a key part of my digital portfolio, showcasing my creative and design expertise.

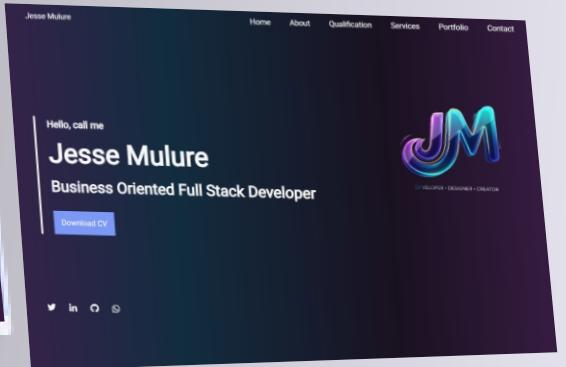

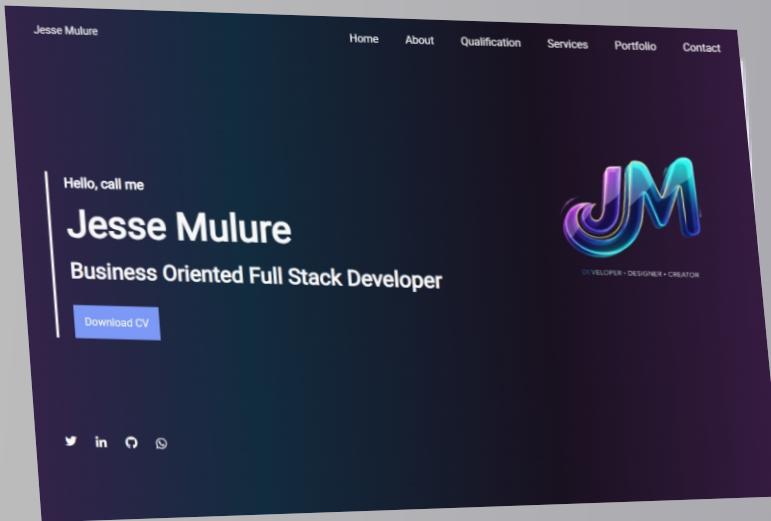

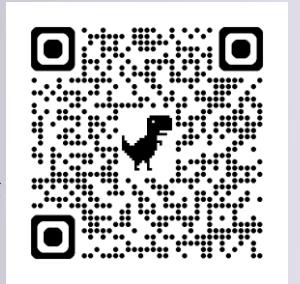

Web Folio

I have designed and developed a range of innovative and user friendly websites showcasing my expertise in creating engaging online experiences

The image shows a collection of devices displaying a travel website. A large monitor at the top left shows the desktop version of the site. Below it, a laptop and a smartphone show the same website on their screens. The website features a dark header with navigation links: Home, Guides, Flights, and About. The main content area has a large, bold title "Travel to your dream destination". Below the title is a paragraph of placeholder text (Lorem ipsum) and a "Reserve Ticket" button. A large, scenic photograph of a coastal landscape with green hills and a blue bay is centered on the page. A "Contact Us" button is located in the top right corner of the main content area. The laptop and smartphone screens also show the same travel website design.
